STAT

I wish to extend my appreciation and that of the Publications Staff and Reference Library for your valuable contribution during your summer assignment with FBIS.

Your accuracy and timeliness in fulfilling the duties of courier and your willingness to learn word processing and assist with the collating of the Daily Report volumes were essential in meeting the goals of the Publications Staff. Your willingness to move from this position to Reston to help the Reference Library get established is greatly appreciated.

We wish you much success in your studies and hope that the coming year will be a pleasant one for you.

Sincerely,

Deputy Director
